

# Christmas Tree Recycling

**130 Timpson St.** | [Click here for map](#) [1]

[Parks and Recreation \(Activities/Registration/Parks/Centers\)](#) [2]

The City of Longview offers recycling for Christmas trees, late December through mid January each year.

As a reminder, throughout the year Longview residents may drop off yard waste at the Compost Site, including limbs, brush, leaves, grass clippings, and pine straw. The mulch and compost that is produced is available at no charge to Longview citizens with proof of residency such as a Driver's License or water bill. Compost Site regular hours are 8:30 a.m. to 4:00 p.m., Tuesday through Saturday.

Christmas Tree Recycling is a service provided by the [Parks and Recreation Department](#) [3] in conjunction with the [Sanitation Department](#) [4]. Since it began in 1989, the program has relieved the landfill of thousands of bulky Christmas trees. Many of the trees brought in for recycling are given to local organizations to be used for environmentally beneficial purposes, such as fish habitats at area lakes. Also, many of the trees will be converted to mulch or compost.

Christmas trees left at the curb for regular trash collection WILL NOT be recycled. Trees set at curb for regular trash pick-up should be cut in half for removal.

Please contact Parks and Recreation at 903-237-1270 or the Sanitation Department at 903-237-1250 for more information.
